

March 2022

Hello Vendors!

Parlor City Market was established in 2020, in the midst of the COVID-19 pandemic, to create foot traffic and attraction to Downtown Bluffton. In addition to a community space to socialize, the increased focus on supporting entrepreneurs and small business owners was fruitful to many and continues to stimulate growth and beauty to the heart of our city. The creation of the Parlor City Plaza has created an opportunity for many to create, inspire, share their talents, and collaborate with others.

This year we will be utilizing managemymarket.com to increase the quality of our market and the vendors. For those who are interested in vending at the market we ask that you submit your application here starting April 1st: [managemymarket.com - web-based farmers market software](https://managemymarket.com)

This year's market season will begin on June 4th and run every Saturday through September 17th from 9 a.m.-1p.m.

We continue to encourage the selling of local produce, eggs, meats, honey, bread, flowers, and more to increase food availability. Local artisans and 'makers' are welcomed to bring a variety of goods to the market. We focus on Handmade-Homemade-Homegrown vendors. Direct Sales are welcome to apply but are not guaranteed space.

As a patron, your choice to purchase from a local grower or maker supports the lives of individuals right here in Wells County. These purchases help stimulate the economy by contributing to new businesses and growth of those that already exist.

Our committee has been eager to host community partners in the area. Parlor City Markets Community Partners will be providing activities and entertainment to the public while they share their story and connect with patrons.

See you at the market!

Sincerely,
BlufftonNOW Board

Parlor City Market Committee;
Joy Addington, Brandy Fiechter, Audry Dudley, Alyssa Osborn, Janella Stroncsek
